## **Acknowledgement of Country**

We respectfully acknowledge the Gadigal People of the Eora Nation, who are the Traditional Owners of the land on which Christian Brothers Lewisham is built, and pay our respect to their Elders past, present and emerging.

We are honoured to recognise our connection to Gadigal Country, history, culture and spirituality through this location, and strive to ensure that we operate in a manner that respects and honours the Elders and Ancestors of these lands.

We also respectfully acknowledge Lewisham's Aboriginal, Torres Strait and South Sea Islander staff, students, alumni, partners and visitors.

We also acknowledge and respect the Traditional Owners of lands across Australia, their Elders, Ancestors, cultures and heritage, and recognise the continuing sovereignties of all Aboriginal and Torres Strait Islander Nations.

## 2026 OPEN DAY TOURS

Tuesday 3 March & Friday 6 March, 2026

[BOOK HERE](#)

## Welcome

Welcome to the 2025 Semester 1 edition of *The Coronet*. It has been a strong and positive start to the school year at CBHS Lewisham, filled with energy, achievement, and community spirit.

We proudly welcomed back our HSC High Achievers, who returned to share their insights and inspire the next generation of learners. Term 1 also saw the Opening School Mass, concelebrated by Bishop Danny Meagher and Father Jack Evans, and attended by a number of special guests.

During this assembly I had the pleasure of announcing our 2025 School Leaders, a group of young men ready to serve and lead with integrity.

2024 School Dux, Samuel Gheller

The Annual CBHS Open Day Tours in March were a huge success, with our enthusiastic Year 5 & 6 tour guides warmly welcoming over 900 families to the school. It was a wonderful opportunity to showcase all that CBHS has to offer, and I was proud to see our students consistently impress visitors with their confidence, knowledge, and school pride.

### HSC HIGH ACHIEVERS ASSEMBLY

It was a pleasure to welcome back our 2024 HSC High Achievers for a special assembly held in their honour. With an average ATAR of 80 many boys received their first round university course offer and our vocational students excelled with placement in apprenticeships, traineeships and further education. The 2024 Dux with an ATAR of 99.4, Samuel Gheller, spoke about his passion for learning and the need to have balance in mixing your study, fitness and social lives. He paid tribute to his teachers describing each one's particular talents and skills in supporting him to his success.

A total of eight boys received ATARs over 95 and there were 82 Band 6s (scores above 90) awarded.

As I reflect on a busy and rewarding semester, I look forward to Semester 2 with optimism and renewed focus, continuing our mission to grow boys into confident, compassionate young men.

## Careers Update

The Annual CBHS Careers Expo offers Years 10, 11 & 12 students and their families the opportunity to explore and compare study and career pathways.

This year, over 55 exhibitors from employer and professional associations, Universities, NSW TAFE, training providers, and employment agencies were onsite, providing valuable guidance to help students make informed decisions about their future.

## Looking for an APPRENTICE OR TRAINEE?

CBHS Lewisham currently has 30 School Based Apprentices and Trainees (SBAT) across Year 11 and 12. SBAT's give students the opportunity to ease into a career while still having a support network (peers, teachers, family) around.

### School Based Apprentices

Apprenticeships involve the student working one or two days per week in your business, attending TAFE for one day and coming to school.

#### Examples include:

- Electrotechnology
- Carpentry
- Plumbing
- Engineering- Fabrication

### School Based Traineeships

Traineeships involve the student working in your business one day per week over Year 11 and 12, learning on the job and coming to school.

#### Examples include:

- Real Estate
- Business
- I.T
- Fitness
- Sport and Recreation
- Warehousing

*We have many keen young students hoping to do work experience in order to secure a school based apprenticeship. If your business could offer a week of work experience or take on an SBAT student please get in touch with our Careers Team.*

## Open Day 2025

Our Annual Open Day was a huge success in March, with more than 900 visitors being welcomed into CBHS Lewisham over the three sessions.

From interactive displays and engaging presentations to hands-on experiments, our guests experienced the depth and diversity of learning that takes place every day at our school. The Concert Band delivered a standout performance, and the roaming drummers helped capture the vibrancy of who we are.

It was wonderful to see so many families engaging with our school and discovering the opportunities available for their sons. From the energy in the classrooms to the warmth of the welcome from our staff and student guides, the spirit of CBHS Lewisham was well and truly on display.

## **Building Program Update**

In Term 3 and 4, the Stage 2 Building Program will continue to take shape, especially with the opening of the previously deconsecrated chapel building, formerly the Lewisham Uniting Church. Now a vibrant multi-purpose space, it will host school events, student and staff workshops, and classes.

This development signals a significant chapter in CBHS Lewisham's evolving campus. Keep an eye on progress at two key locations:

## Social Justice

*CBHS Social Justice initiatives help each boy understand his role in the wider community and how they can help. Thank you to all who supported, volunteered, or contributed this semester—below is a quick snapshot of their impact.*

### PRIMARY

Our Primary Social Justice team excelled in their initiatives this Semester, with St Vincent de Paul 'Vinnies Vans' receiving their help during Lent, and last month with the Magee House Winter Appeal.

During Lent, generous donations from our Primary families allowed students to create 635 snack packs for those in need.

The Magee Winter Appeal was also a great success, with Years 5–12 families contributing blankets, toiletries, and food to support the homeless during the colder months.

The compassion and generosity of the CBHS community makes us proud.

## Biggest Morning Tea

**Congratulations to the Year 5 and 6 boys for their incredible achievement in raising \$820 to support the Australian Cancer Council's Biggest Morning Tea!** This dedication and compassion will make a meaningful difference in the lives of those affected by cancer.

Well done to the Primary Social Justice Team who not only baked and provided sweet treats for over 70 guests, but also served them with care, ensuring everyone felt welcomed and supported.

The efforts of the boys is a powerful example that, regardless of age, young people have the ability to create real and lasting change in the world.

Congratulations to all involved on this achievement!

## Lewo World Cup

Passion was running high over the last few weeks as recess and lunch were taken over by the 2025 CBHS Lewo World Cup—the much-loved futsal competition packed with spirit and friendly rivalries!

In a thrilling repeat of last year's final, Greece and Spain/Portugal faced off once again. With the McDonald Centre buzzing, the teams were locked at 2–2 at full time, sending the match into a dramatic penalty shootout. After a tense exchange, Team Greece claimed the championship title! All funds raised go toward the Peru 'Build a House' Program, with over \$1300 raised during the finals alone. A fantastic way to finish the term with excitement and purpose!

## SECONDARY

## World's Greatest Shave

In April, 24 Year 12 students volunteered to raise awareness and funds for blood cancer through the Leukemia Foundation's World's Greatest Shave.

We congratulate these students for their efforts in collectively raising \$25,342 and being ranked 17th in NSW!

For some of the boys losing their flowing locks was a huge sacrifice, but with the great support of their peers, and knowing they are making a difference, the pain is eased.

A huge thankyou to the CBHS community for their support of this very worthy cause.

## Caritas Cup

The Caritas Cup was another highlight of the Semester — bringing students together in a spirited house basketball competition during Lent to raise funds for Project Compassion.

Congratulations to all who played with passion and purpose, and to O'Neill House for taking out the Cup, with great leadership from Mr Anthony Foti and O'Neill Captain George Rehayem.

## Year 10 Spirituality Day

In June we welcomed Year 10 students from St Scholastica's Glebe to mark World Refugee Day with a day of prayer, awareness, and social interaction.

Students participated in workshops led by local organisations—Vinnies, House of Welcome, and the Asylum Seekers Centre—where they heard first hand stories from refugees and learned about ways to support those in need.

Through discussion, generous donations, and engagement, students lived out the message from the morning's Liturgy:

*"To act justly, and to love mercy, and to walk humbly with your God"* – MICAH 6:6-8.

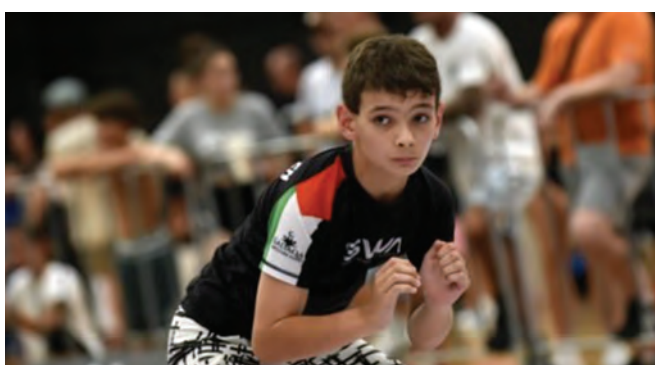

## Sport Stars

### Sailing Success

Congratulations to Year 6 student Luca De Giosa on his outstanding sailing achievements! Earlier this year, Luca represented Australia at the Optimist Asian and Oceanian Championship in Hong Kong, winning the Oceanian Team Racing Title and placing 3rd in the Silver Fleet division. He followed this with another victory, securing the National Team Racing Title with the NSW team in Brisbane.

### Well done Malik!

Year 6's Malik Deen continues to blitz his opponents, this time at the New South Wales Brazilian Jiu-Jitsu State Championship. Malik achieved a Double Gold Win in Gi and No-Gi divisions - competing at a higher age and weight division.

Malik's commitment to training diligently, and consistently has paid off in his wins, especially considering he competes often at a higher age and weight division. Congratulations!

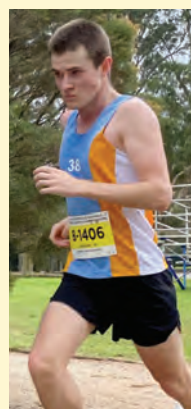

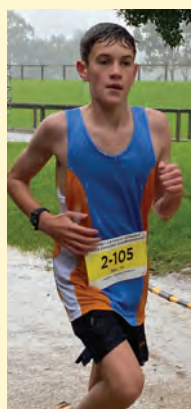

### Table Tennis Juniors win Bronze

Well done to the CBHS Table Tennis Team for their strong performance at the SCS Conference 1 Gala Day.

**Special congratulations** to the Junior Team of Olivier Bove and Joseph Caccavari, who earned a Bronze Medal - excellent results and a testament to their skill and teamwork.

### Cross Country Stars

Well done to our CBHS students who braved the rain at the SCS Cross Country Championships!

**Special congratulations** to Ben McDougall (U12) and Jonathan Nolan (U18) on qualifying for the NSW Championships—best of luck!

### Primary Soccer Champions!

The Primary Soccer Team put on a stellar performance to win the Sydney Catholic Schools (SCS) Conference Final in a nail-biting penalty shootout. They showed skill, composure, and teamwork under pressure.

The CBHS boys demonstrated great sportsmanship and the experience gained throughout the season and in these high-stakes matches will undoubtedly benefit the team in future competitions.

Special thanks to Coach Mr Tsokos, whose leadership and guidance were instrumental in motivating the team and refining their strategy.

## Guitar and Strings Recital Evening

Our Guitar and Strings Recital struck a new chord in June, being held in the newly refurbished chapel building, a stunning backdrop for a night of music and talent.

Over 20 talented students took to the stage, performing a diverse range of pieces and showcasing the incredible growth of the ensembles.

Congratulations to all the musicians and dedicated teachers who make this recital possible each year!

## Reconciliation Partners

During NAIDOC Week 2025, CBHS proudly embraced this year's theme, "The Next Generation: Strength, Vision & Legacy"—a powerful call to honour the past while championing the future.

This message was brought to life when students from our Aboriginal and Torres Strait Islander Program were invited as honoured guests to the Reconciliation Assembly at St Pius X College, Chatswood.

Led by CBHS Aboriginal Education Worker Mr Blake Griffith, our students shared traditional dances that beautifully expressed their cultural identity and connection to Country.

This special gathering also marked the beginning of the Red Dirt Immersion—a shared journey through outback NSW, deepening ties between our schools and strengthening our ongoing commitment to Reconciliation and cultural learning.

## Primary Presentation Night

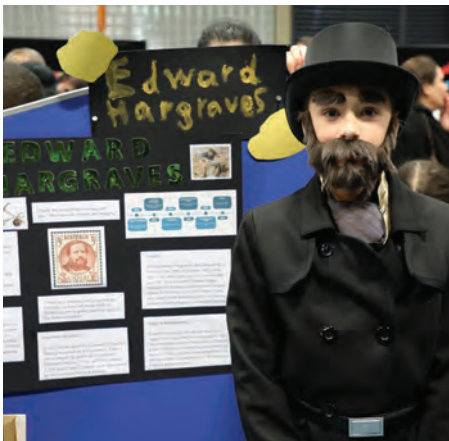

Last term the CBHS community also enjoyed the Annual Primary Presentation Night with the impressive Year 5 'Night of Notables'.

Each student researched and portrayed an iconic Australian, showcasing their work through creative displays, portraits and clever costumes. The night was a great opportunity for the boys to bring their 'notable' to life, with their displays featuring a Q&A box to test their knowledge.

Congratulations to our Year 5 students for their hard work, confidence, and enthusiasm!

## Public Speaking Competition 2025

As part of our Primary Presentation Night, eight talented Year 6 boys took part in the 2025 Public Speaking Competition, and what an amazing group they were!

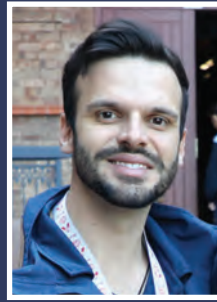

With topics ranging from 'Parents just don't understand' to 'Why gaming is educational', the students educated the audience with skill and confidence.

Congratulations to a talented group, in particular Jackson and Deon who took out First and Second place overall.

Well done Deon (L) & Jackson

## Paul Kapeleris

**What is your role at CBHS and how long have you been here?**

I currently serve as the Year 9 Coordinator and previously, I was the Kearney House Patron. In my teaching role, I specialise in Stage 5 and Stage 6 subjects, with a focus on Economics, Business Studies, Legal Studies, and Commerce. I have been a member of the teaching staff since 2019 and was also a CBHS student, graduating in 2011.

**What are your top 3 favourite things about CBHS?**

My top three favourite things about CBHS are the evolving academic culture, the extracurricular opportunities, and the strong sense of community.

Over the past four years, the academic culture has transformed significantly, with students demonstrating a dedication to excellence and being justly rewarded for their hard work and perseverance. The school's diverse range of extracurricular activities allows students to explore their passions, develop new skills, and express their creativity in a supportive environment beyond the classroom. Finally, the staff and students foster a genuine sense of community, making CBHS Lewisham a place where everyone feels valued and supported in their journey of growth and achievement.

**What was a highlight of Semester One for you?**

Stepping into the role of Year 9 Coordinator was a fantastic experience, and I've truly enjoyed getting to know such an enthusiastic and diverse group of students. Their energy and willingness to get involved in school life have been a real highlight.

On top of that, taking the Year 10 Commerce students to NSW Parliament House in Term 1 was incredibly rewarding. Witnessing their engagement with the parliamentary process and the insightful questions they posed made for a truly memorable excursion. Personally, this semester has also been a significant period of growth as I navigate the responsibilities of Year Coordinator, learning new skills in student welfare, organisation, and communication and I'm already looking forward to seeing what next semester brings for our Year 9 cohort.

**What does it mean to you to "focus on the boy to grow the man"?**

This phrase embodies the core values of nurturing each student's individual growth, both academically and personally, in a supportive and holistic environment. It means cultivating academic excellence but also leadership, character, and resilience, ensuring that our students are equipped to navigate life's challenges with confidence and integrity.

## Class of 1956 Reunion

The Leaving Certificate Class of 1956 met in April for their 68th year reunion and the camaraderie is just as strong as it was all those years ago. This group of CBHS Old Boys meets every year for drinks and lunch at Ryde-Eastwood Leagues Club at West Ryde, and the intervening years just drop away.

To their knowledge, 34 of the original cohort of 84 are still soldiering on and they all pledged to be upright for the big 70th Reunion in 2026.

Well done to Michael Joukhador (Class of 2024) Joey Matta (Class of 2024) Cruz Frangieh (Class 2024), Michael Boustani and John Paul Tannous (Class of 2024) who were selected in the Lebanese Touch Football Team and JP Catalano and Manos Lagos (Class of 2024) selected for the Australian Team for the Asian Pacific Touch Football Tournament held in Queensland.

**We were thrilled to welcome back Old Boy Bailey Hayward (Class of 2018) to CBHS last term.**

Currently playing with the Canterbury-Bankstown Bulldogs, Bailey took time out of his busy league season to speak with our Primary students about all things rugby league, as well as the importance of faith and family in his life.

Thank you Bailey, for your generosity and inspiring words - your visit left a lasting impression on the boys and reminded them of the values that truly matter, both on and off the field.
